Reference is made to the profit warning announcement of the Company dated 24 April 2020. The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to further inform the shareholders of the Company and potential investors that based on the information currently available to the Board, the Group is expected to record a net profit after tax of approximately RM0.8 million for the nine months ended 31 March 2020 as compared to the net profit after tax of approximately RM9.4 million for the nine months ended 31 March 2019. Such decrease in net profit after tax is mainly attributable to (i) a decrease in revenue of approximately RM2.4 million due to, among other things, the outbreak of COVID-19 in the early 2020; (ii) an increase in administrative expenses of approximately RM1.0 million due to increase in staff cost for administrative and management personnel and professional fees; (iii) an increase in listing expenses of approximately RM1.9 million in connection with the listing of the securities of the Company on the GEM of The Stock Exchange of Hong Kong Limited; and (iv) a change of income tax position from an income tax credit of approximately RM2.6 million for the nine months ended 31 March 2019 to an income tax expense of approximately RM1.3 million for the nine months ended 31 March 2020 mainly attributable to (a) a decrease in deferred tax credit of approximately RM2.6 million in relation to the temporary differences arising from the accelerated accounting depreciation, provision for contract costs and contract liabilities, and (b) an increase in income tax expenses of approximately RM1.3 million following the expiry of the tax incentive granted by Malaysian Government to a subsidiary of the Company on 3 April 2019.

The Company is still in the process of finalizing the third quarterly results of the Group for the nine months ended 31 March 2020. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the unaudited management accounts of the Group as at 31 March 2020 and the information currently available to the Company which may be subject to change and is not based on any figures or information that have been audited or reviewed by the Company’s auditors nor reviewed by the Audit Committee of the Board.
